

Local Government CENTER

Programs for the Month of July 2009

July 28, 2009 – **“Using PASER and WISLR to Manage Your Roads”** – Attendees of this Transportation Information Center course will know how to inspect and rate pavements, evaluate what roads to maintain and rebuild, decide maintenance policies and programs, explain road maintenance policies and programs and submit pavement ratings to DOT. This workshop will assist local officials and their consultants who want to better manage their pavements by using PASER and WISLR. The focus will be on asphalt roads, but rating manuals for concrete, seal coat over gravel, and gravel roads will be available and covered briefly. Held July 28 at Tomahawk (Rodeway Inn). For more information contact Steve Pudloski at 800-462-0876 or 628-262-2061, or email: pudloski@engr.wisc.edu or custserv@epd.engr.wisc.edu. Other dates and locations:

July 29, 2009 Hayward

July 30, 2009 Eau Claire

July 31, 2009 Tomah

Also: August 11, 2009, Stevens Point; De Pere, Wisconsin; August 13, 2009 Waukesha; August 14, 2009 Mineral Point.
