## Board of Review Video

For the first time, any visitor to our website can access video clips of a mock Board of Review ([lgc.uwex.edu/bor/borvideos.html](http://lgc.uwex.edu/bor/borvideos.html)). The videos were previously available only as a loan through your county CRD educator or by purchasing an audiostreamed version of the Board of Review training.

**"This is great! I'm a visual learner, so I really appreciate the videos."
