WHAT IS A WISLINE?

A WisLine is a **live teleconference** offered by the University of Wisconsin-Extension. You pre-register by mail, fax or phone to attend at a public WisLine site convenient to you. The day of the program, you will go to a room set up for two-way sound communication. Because there is no visual presentation in these teleconferences, you will receive a packet of printed materials that will be referred to throughout the program and that you can take home.

This series of ten programs is designed to keep local government officials up to date on the administration of elections in Wisconsin. Current procedures and processes for officials involved in conducting elections will be discussed by representatives from the Wisconsin Government Accountability board. Each session will provide ample opportunity for participant questions and comments. Programs will be moderated by UW-Extension's Local Government Center staff.

**Training Requirements
Municipal Clerks and Chief Election
Inspectors**

All sessions may be used to partially fulfill the elections training requirements of municipal clerks.

The March 11 and April 15 sessions count toward the training requirements for recertification of chief election inspectors.
