**FUND RAISING GENERALLY**

The involved parties recognize that to be successful, certain financial expenditures will have to be met. The source of the required funds, the methods of financing, the estimated expenditures and the time when these costs will be incurred are set forth herein. A general summary of fund raising activity can be summarized as follows:

(a) **Voluntary Contribution.** Voluntary contributions shall be sought and accepted from involved property owners, interested citizens or other sources and are herein referred to as “Voluntary Contributions”;

(b) **City Funds.** Funds may be appropriated by the governing body of the City of Sheboygan Falls (Council) which funds shall be referred to as “City Contributions”;

(c) **Property Owners Required Payments.** All owners of property located within the district shall be required to pay their proportionate share of the necessary costs to operate the FALLS BID and implement its programs. The proportionate share shall be based on the ratio that an owner’s property’s assessed value bears to the total assessed value all the properties in the district. Such payments shall be raised by either of the following methods:

(i) **Special Assessments.** Funds may be raised through special Assessments levied against property located within the BID. Such special assessments will be levied as an exercise of the municipality’s police power under the provisions of §66.60(1)(b), Wis. Stats. and

(ii) **Special Charges.** Funds may also be raised through special charges for services rendered under the enabling authority of §66.60 (1), Wis. Stats. In the event that a service charge is made, the property owner shall have an opportunity to pay such charges prior to their being included on the tax roll but if they are not paid prior to the date specified as the last date for paying the same, then they shall automatically be included on the current (or next) tax roll, the same as a delinquent tax, against the involved property and all proceedings in relation to the collection and sale of property for delinquent real estate taxes shall apply to such special charges.

(iii) In no event shall residential property or real property used exclusively for manufacturing purposes be subjected to a special assessment or incur a special service charge for BID expenditures

The Board’s operating procedures will follow the Annual Chamber-Main Street Work Plan which is made a part hereof by reference and published in its entirety in March of each year at the Annual Meeting. This operating plan shall be readopted pursuant to the annual consideration and change in the operating plan which the statute contemplates under the provisions of §66.608 (3)(b), Wis. Stats.
DESCRIPTION OF DEVELOPMENT PROPOSED

The primary goal of the BID is to motivate and encourage the rehabilitation of the center city structures located within the BID District and to attract shoppers to the area so that the commercial enterprise engaged therein may grow and be successful. To accomplish these goals, it is acknowledged that it is necessary to forge a public/private partnership to cause further investment of venture capital to occur within the FALLS BID.

The Business Improvement District assessment for 2018-19 shall be set at $1.45 per $1,000 of assessed valuation, to be used specifically to continue support of existing downtown businesses and for the recruitment of new businesses to fill vacancies.

Business leaders and property owners shall be encouraged to take immediate and positive steps to revitalize and promote the benefits of locating in the BID area and to identify the availability of products available and activities involved or that could be, and otherwise carry on such activities that could result in successful commercial business ventures and activities in the BID.

The Executive Director shall compile an inventory which will identify all existing structures and shall promote restoration of all unique buildings. The Executive Director shall suggest ways in which to enhance the value of the property located within the District. The Executive Director shall also assist the owners in efforts to obtain financing to accomplish improvements and restorations.

The Executive Director and Program Assistant will organize various retail promotions which will increase traffic and business to the FALLS BID. This shall include, but not be limited to Date Nite, Sidewalk Sale, Ladies Nite Out and Main Street Memories. The Executive Director and Program Assistant will provide advertising promotions and other such tools that will achieve the goal of increased business to benefit the retailers of FALLS BID.

The Chamber-Main Street organization in total will provide special efforts in 2018-19 to provide FALLS BID with continued assistance in business retention with a focus during the coming year of business recruitment to fill vacancies. Promotions, Advertising Tools, Special Events, Business Recruitment and Retention Programs and whatever else is deemed necessary will be coordinated in an effort to improve and restore business levels.

A plan shall be developed to create a community of interest by the involved owners or tenants in the FALLS BID. A guide demonstrating ways to enhance individual identity within the framework of an identifiable exterior architectural feature so as to provide a high profile for the FALLS BID area and to establish a community of interest that ties the FALLS BID together and identifies the area as one will be prepared and its implementation will be promoted. Uniform signage and features that are designed to help the flow of traffic to the FALLS BID shall be suggested.
